

SHAWBURY PARISH COUNCIL

NOVEMBER NEWS ITEMS

Allotment:

The Parish Council has responsibility for one allotment which is located on the far side of the playing field and has been leased to Mr. Cooper for many years who has maintained it in an excellent way. He has decided to give up the tenancy at the end of this year and Council Members are keen to hear from anyone who would like to take over the lease, which is £25.00 per annum. If you are interested please contact the Clerk for further details.

Smartwater:

Many residents have still not collected their free pack of Smartwater and arrangements will be made to hold another distribution event early in 2019. In the meantime if you live in the Parish and would like a pack, please contact the Clerk who will try and arrange for one to be delivered to you.

Vandalism

At the last Council meeting, Members were very distressed to hear that the fencing round the children's cycle track had been completely vandalised. This was just after Council money and volunteer time had been spent repairing the previous damage that had occurred there. The police or Council Members would welcome any information which could lead to action being taken against the culprits.

RAF Grant

A few months ago RAF Shropshire gave a grant of £300 to the Council in recognition of the support the base receives from the local community. It has been decided to use this money to provide a seat close to the site of the Fitness Area which is opposite the Village Hall and this will be put in place in the near future.

Parish Paths:

The Council is still hoping to hear from anyone who is willing to join up with other volunteers to carry out maintenance work on the various footpaths and bridleways that are regularly used by residents.

Season's Greetings:

Everyone involved with the Council would like to wish you all a Happy Christmas and hope that the New Year brings you peace and contentment.
