

SHAWBURY PARISH COUNCIL

Matters arising from the March Council meeting:

1. Highways:

(a) A53 Shawbury to Edgebolton- some repairs have been carried out but that there is still much to do.

(b) A small bin has been attached to a post in Church Street.

(c) Confirmation that the 'lay-by' in Church Street is part of the highway.

(d) Liam Heathcote has agreed to take action over irresponsible parking in Church Street.

(e) Shropshire Councillor Simon Jones has been asked to take action over the water leak in Poynton Road.

(f) The officers who agreed to review the new roundabout are no longer in post so I have sent in a new request.

2. Armed Forces Covenant:

Representatives of the Council have been invited to attend the signatory event when it can be held.

3. Shawbury United Sports and Recreational Centre.

Shropshire Council are keen to explore ways in which they can help with financial support for the project but not within the time frame which had been identified.

Further information from SURC regarding the lease seems more positive and should enable them to identify additional sources of income.

4. Annual Parish Meeting:

RAF Shawbury are keen to continue to be associated with the Community Service award and the Group Captain or a senior officer will present it when the event can be arranged. Mr. Bentley has been notified that he has been selected for the award. I will keep him advised of dates.

5. Burial Ground:

Revised documents have been produced and now agreed by Rev. Cresswell. Copies will be forwarded to local undertakers to pass on to those who make contact to arrange a funeral. Copies have been posted on web site and notice boards.

6. Finance:

There was only one additional invoice received for payment before the end of the financial year ORP CCTV annual maintenance contract - £570.00.

I will send out an end of month financial report as soon as I receive the bank statement. Early in April I will send out details of accounts received for payment.
