

PARISH COUNCIL NEWS

Membership:

At the August meeting Members were pleased to be able to fill the remaining vacant seat on the Council by co-opting Mr. Merv Roberts, a long-time resident of the Parish following service in the RAF which included a lengthy posting at Shawbury.

Apology:

E.On, the Council's street light contractor, has sent an apology to the Council for the prolonged delay in completing the up-grading of the streetlights in Millbrook and Bridgeway. Covid outbreaks with their staff and those employed by Scottish Power have resulted in work teams having to isolate for lengthy periods and caused chaos with their whole programme of work. They are hoping to get things back on even keel very soon.

Donation:

A local resident who was very upset to read that an arson attack had ruined a picnic table in the Glebe area has made a very generous donation of £100.00 towards the purchase of a new table with the only provision made that the new table could not be burnt.
